ZSK STICKMASCHINEN MADE IN GERMANY

The Racer 4S is the first embroidery machine of the new ZSK embroidery machine series Racer.

The Racer 4S has the slimmest tubular arm available for multi-head embroidery machines.

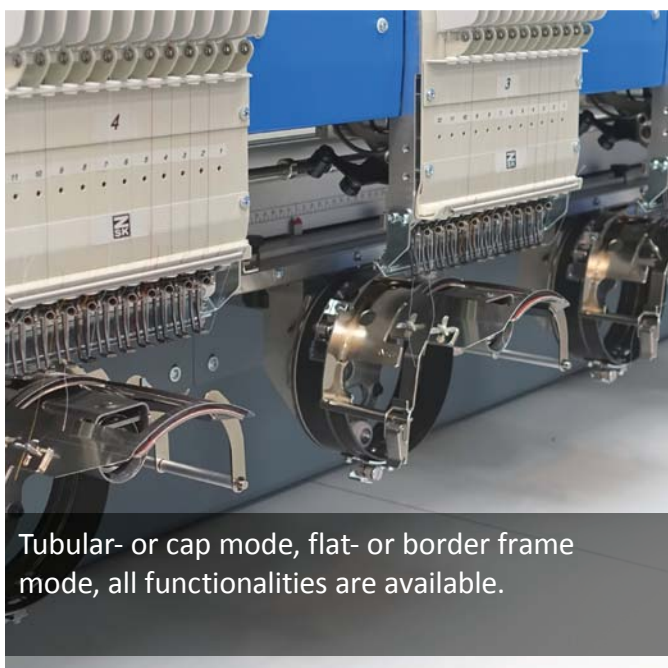

Racer 4S

The New Embroidery Machine of ZSK

- **World innovation**
The smallest tubular arm for multihead embroidery machines
- A new protection cap concept
- New functionalities of the T8-2 control unit
- Stop position limiting
